Dear Dr. Travis:

Dr. Stone has asked me to reply to your letter to him of October 24, 1979.

The Council is pleased to approve a grant in an amount not to exceed \$2,500 for the purpose of defraying the expenses of individuals not affiliated with commercial organizations who wish to attend the "Gordon Conference on Proteolytic Enzymes and Their Inhibitors", June 23-27, 1980, who would normally not be able to attend because of insufficient funds.

Will you please advise us concerning the payment of these funds?

Sincerely,

W. T. Hoyt
Executive Vice President
